

Chapter III

The Estate of the Foundation

§11

1. The estate of the Foundation is made up from the Founding Fund in the amount of 4,800 zł (four thousand and eight hundred zloty) and financial resources, right to assets, immovables and movables acquired by the Foundation during its activity.
2. The realization of the aims is financed from the Founding Fund and from revenues obtained by the Foundation on the basis provided in these statutes.

§12

For its obligations the Foundation is subject to unlimited personal liability.

§13

The estate of the Foundation can be invested particularly in business ventures run by the Foundation, or in bank deposits and companies and securities.

§14

Revenues of the Foundation come particularly from:

1. Domestic and foreign gifts, inheritances, legacies, subventions and other gratuitous increments.
2. Revenues from collections and public events.
3. Revenues from movables and immovables.
4. Profits from deposits in banks and agencies of capital market in the country and abroad.
5. Financial operations except for trading in securities.
6. Business activity run by the Foundation.
